Excellent service from OUTsurance and Starplex. Phoned OUTsurance to request help relating to a blocked main sewerage line. It took less than an hour from the time I made the call until my drain was open.

Help@OUT rescue awesomeness. I received awesome service from Krenashin Govender and Daniel van Huyssten. They kept calling to check if the roadside assistance had arrived and also made sure to contact the towing company when there was a delay. Best service ever!!!

Morning, We would like to say thank you to Morongwa for assisting us Sunday. We have not received such great service in a long time. She arranged the towing service and it took them 20min get to us. She also kept us updated regularly. Thank you!! Case Number #744999

Feeling low and need a tow - no problem with OUTsurance. My vehicle broke down and I needed to be towed home. I phoned and spoke to a very friendly and professional consultant. She kept me informed and was extremely helpful. Well done Regae and OUTsurance.

Thank you Debbie Mashiyane for the fast efficient service. My flat battery was recharged by Warren at Auto Recovery within 30 minutes of my phone call to you. Not only was that impressive but the fact that it was a free service to this about to turn 71 year old in 4 days, it was an early birthday present. Thank you Outsurance.

Mr M Roy

Awesome service Bradley at OUTsurance. My daughter's car broke down on the freeway at night. Bradley called her and quickly arranged for a tow-truck to get to the scene. Thanks for the awesome service, and the peace of mind you bring!
